# Disney's Beauty and the Beast

Youth Connection Theatre Company is an amateur theatre company based just outside Chester-le-Street, County Durham. It was formed 26 years ago, from senior students, past students and other members of the community. The group still has the same aims; to enable as many young people as possible to experience a wide variety of Drama, and have fun along the way. Credits to date include performances at the Edinburgh Festival, tours of France, Germany, Slovakia, Hungary and Russia, participation in a major International Drama Festival and performances at several major professional London Theatres including, the Royal National. We usually perform about two to three productions a year at our base. This is normally at Christmas and summer. However, if you look at our past productions you can see that we do other things and 'get about a bit'. Please contact us if you require more details. Many members of the group are now working in TV and professional theatre in several capacities; acting, designing and technical crew. The group is entirely self funding and is grateful for any contribution whether it is participation or audience support - or even money!

Step into the enchanted world of Broadway's modern classic! Based on the Academy-Award winning animated feature, our stage version of Disney's Beauty and the Beast includes all of the wonderful songs written by Alan Menken and the late Howard Ashman along with new songs by Mr. Menken and Tim Rice. You will be transported to the heart of provincial life in a lovely French town. When Maurice becomes lost in the woods on his way to the fair, he seeks shelter in an old castle, but the master of the castle is a horrible beast that takes him captive. Maurice's daughter, Belle, must then give up her freedom to save his life. Belle's taming of the unfortunate Beast and his ultimate transformation back into a handsome prince enthralled Broadway audiences for over 13 years. This "tale as old as time" is filled with spectacular costumes, well known Disney Songs, and a set custom designed for this production. All of this brought you by the Youth Connection production team and cast who always go on beyond the call of duty to try and bring you something extraordinary that everyone can be proud of!
