

RAFFLE A PAINTING TO SUPPORT GRACE HOUSE ORDER FORM

David Hughes, with the help of his friend, Rotarian Bill Fish, has raised over £60,000 for various charities. They are now voluntary fundraisers for "Grace House North East Childrens' Hospice Appeal".

1. Shares Down

2. Plainsman

David is an experienced after dinner speaker, recalling his extraordinary life and never charges a fee or expenses. "On a voluntary level I am assisting Kathy Secker, founder of the Appeal, to raise funds necessary to build Grace House" said David. "The childrens' hospice will be built in Sunderland and will benefit children and their families from across the north east".

3. Harmony

4. Paris

You can help us by selecting one of the prints in the brochure (seen on the right) and operating a simple raffle. You may have a friend or organisation willing to help.

5. Tranquility

6. The Dales

Alternatively, you may wish to buy a print for only £25. All profits will be donated to the Grace House Hospice Appeal. "It may come as a surprise to know that there are around 12,000 families in the north east who have a child that is not expected to reach adulthood. Whatever time is left is precious and a Childrens' Hospice can help make the most of that time. At present the region has only 12 hospice beds for children - woefully too few to meet the need".

7. Paris

8. Long Life

I select print number and promise to use it to raise funds for the Grace House North East Childrens' Hospice Appeal.

9. Good Health
